Dear Scott;

Helen and I want to tell you again how pleased we are with our new house. We think you did a splendid job in every respect and you did it in a timely fashion and with a minimum of confusion, controversy or delay. Your sub-contractors and their employees were, without exception, gentlemen and expert craftsmen.

You treated us fairly and honestly and I will be pleased to recommend your services to anyone should the opportunity arise. Also, you may show our house to prospective clients if that would be helpful in illustrating your abilities.

I am convinced that you will have a long and prosperous career as a builder in Southern Arizona if this is your wish. Helen joins me in sending our best regards to you and Kate and our hope for your success.

Sincerely,

A handwritten signature in cursive script, appearing to read "Bob".
