To Whom It May Concern:

We have lived in the Tubac area for more than 25 years. During that time we have built two homes and heard numerous stories about homes as they were being built.

As a custom home builder, Mr. Scott Pottinger is a most capable contractor. His concern with the client and relationship with the sub-contractors was particularly impressive to us. Due to his supervision and coordination our home will be finished several weeks sooner than we expected and at budget.

We think Mr. Pottinger is an excellent contractor. We recommend him with enthusiasm.

Very truly yours,

  
Charles Davis
